

# ANNUAL JIBC APPLIED RESEARCH DAY

**Thursday, April 5, 2018**

JIBC, New Westminster Campus

The 8th annual event aims to raise awareness of the important role applied research plays in scholarship, student engagement and solving real world issues, and showcases student-led research of JIBC undergraduate students.

## ***The Use of Research in Developing Public Safety Professionals***

### **KEYNOTE SPEAKER:**

Photo by: Jane Brokenshire

### **STEVE PALMER, P. ENG.**

Executive Director, Collaborative Centre for Justice & Safety and Canadian Institute for Public Safety Research & Treatment, University of Regina

Learn about how research informs practice, the need for evidence-based practice, and future research priorities in public safety.

### **THE DAY WILL FEATURE:**

- Keynote speaker
- Capstone student presentations
- Speed research – faculty and students
- A poster session on display in the atrium

**PRESENTATIONS: 8:30 am - 1:30 pm (Theatre)**

**POSTER DISPLAYS: Thursday and Friday (Atrium)**

JIBC, 715 McBride Boulevard, New Westminster
