

ANNUAL JIBC APPLIED RESEARCH DAY

Friday April 7, 2017

JIBC, New Westminster Campus

The 7th Annual event creates awareness of the important role of applied research, innovation and scholarship in student and stakeholder engagement, solving real world issues through applied research. The event will focus on student led research.

Enhanced learning and student engagement through applied research involvement

KEYNOTE SPEAKER:

DR. DARRYL PLECAS, MLA
ABBOTSFORD SOUTH

Dr. Plecas held the RCMP Senior University Research Chair and Directorship of the Centre for Public Safety and Criminal Justice Research at UFV. He holds two degrees in criminology from SFU, and a doctorate in Higher Education from UBC. He served as a member of

the Correctional Service of Canada's Audit Team on National Programs Accreditation, and as a Minister of Public Safety appointed federal prison judge (Independent Chairperson).

THE DAY WILL FEATURE:

- Capstone Student Presentations
- Speed Research – Faculty and Students
- Applied Research Updates
- Posters on display all day

PRESENTATIONS: 8:30 am - 1:30 pm (Theatre)

POSTER DISPLAYS: Thursday and Friday (Atrium)
